NEWSLETTER

Friday 2nd July 2021

Dear Parents,

We reach the end of another week. Although I can't believe there are only two weeks of the school year left, when I look around at how tired all the adults and the children in school are, I can well believe it!

Thank you to all of you who got involved in Blood Bikes last Friday. You raised a fantastic amount of money – Mrs Oakley has included a write up and some photos, so I will leave it to her to reveal!

I hope all the children enjoy the final two weeks of term.

Best wishes,
Mark Davis
Head Teacher

Non-Uniform Day:

Friday 16th July, last day of term, is a non-uniform day. Children are welcome to come in their own choice of clothes and Year 6 might like to wear their leavers hoodies!

Reports and Classes for next year:

School reports will be released to parents on My Child At School (MCAS) at the end of next week. If you have forgotten your log in details please see the website below.

www.mychildatschool.com

Our school number is 11269.

It is worth trying to access during the week, rather than wait for the reports. If you have access problems, please contact the school office so we can help you.

Children will get to meet their new class teachers in the final week of term. We need to do this in a covid secure way, without mixing bubbles. Therefore, this will take place on the field and children from different classes will sit in different groups. This is clearly not as we would like and not how we would usually run transition.

Thank you to those of you who contacted me about class changes. We have replied to you all individually.

Little Princesses:

Dhyani is having 15 inches cut from her hair on 12th July, to donate to Little Princess

Trust www.littleprincesses.org.uk/ We have a collection box in the front office at school. If anyone wants to donate to Little Princesses to recognise this, you are welcome to give it to us and we will pass all donations on to Little Princesses.

Well done Dhyani.

Blood Bikes Day!

£597.16

Thank you!

We look forward to donating this amazing total to the Blood Bikes charity! We had an interesting and fun day. We learnt about the wonderful work that the volunteer Blood Bikers do for our local community and the children were inspired to think about what we might do to give back to their community when we grow up. Thank you again for your support.

Even Soda got involved!

Children listened carefully.

We got to sit on the bikes!

Some of you might be a Blood Biker one day...

You all did a great job of coming dressed in red!

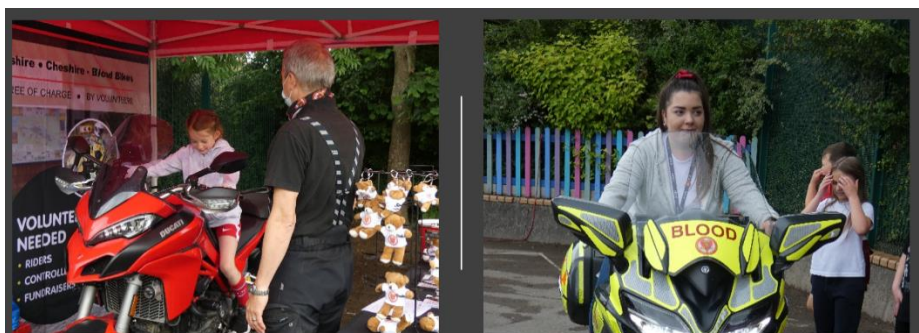

A mini Blood Biker in the making.

We learnt about the different parts of the bike.

The bikes are huge!

Some of the staff had a go too!

The engine was turned on!!!

Some of us need to grow some more before we can reach the pedals!

On you get!

Suits you...

It was great fun!

Some of our parents are Blood Bikers.

We asked lots of questions and learnt about the amazing voluntary work Blood Bikers do for their community.

What might you do to give back to your community?

THANK YOU!
