

NEWSLETTER

Friday 13th May 2022

Dear Parents,

I wanted to start this week by sharing how proud I am of our Year 6 pupils, who have been taking their SATs tests this week. Well done Year 6, you've approached them with a superb attitude. All your test papers have now been collected to be marked!

It has been a quiet week at school this week, simply because the SATs tests involve such a big team of staff. Nevertheless, there has still been lots going on and if you look on our Twitter feed on the website you'll see some of things that have been happening!

We have some more accomplishments outside of school in the newsletter this week. We love to hear some of things children have been doing outside of school, so if there is an achievement to be shared, please do send it in to the office for us to include.

I hope you all have a good weekend.

Best wishes,

Mark Davis

Principal

UPDATES AND INFORMATION

Y4 Old Hall Maths Challenge

On Wednesday afternoon year 4 visited Old Hall to attend a regional maths challenge. The children worked really hard to solve an array of puzzles and activities and have been awarded badges and certificates for their superb efforts. Here are some quotes from the children:

"It was quite challenging but most of it was easy and fun." - Phoebe

"I enjoyed it because I was learning new things." – Ben

"It was very fun." - Evie

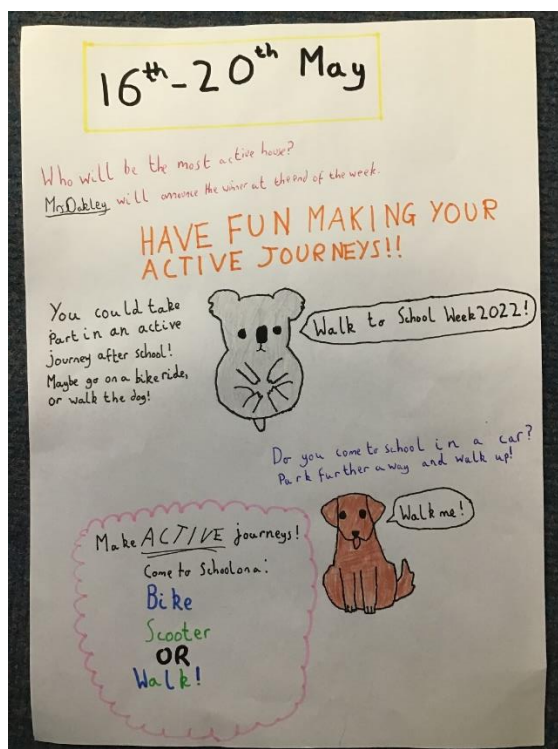

“I enjoyed it and we got free cookies and a nice drink.” – Jacob

Walk to School Week

16-20th May

School council have made posters to promote “Walk to School Week”. Look out for the posters around school. We hope you can join in next week and walk, bike or scooter your way in to school.

Times Tables Fun!

The Year 4 teachers would like to say well done to all the children working hard to learn their times tables. We are so impressed with your improving scores. If you're looking for something new to play at home, check out mathsframe.co.uk which has lots of free games. This one is great for getting ready for the **Multiplication Check** which is coming up very soon: <https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>. Click the link to take you there or scan the QR code to open the game on a mobile device:

Keep practising!

TEAM POINT TOTALS!

| | |
|-------------------------|------------------|
| Wrekin 372 | Haughmond 336 |
| Stiperstones 407 | Caer Caradoc 332 |

| Harry | For showing respect and consideration during lunchtime. |
| Emery | For being a great classmate who shows respect and good manners at lunchtime. |

Wellington Arts Festival

Delia and Elwyn (years 4 and 1) took part in the Wellington Arts Festival this past weekend. They were a part of the production of 'Godspell' on Saturday night. Well done Delia and Elwyn it looks like you had such a lovely experience!

Archery Success

Phoebe in year 6 shared with us an archery competition she recently took part in, well done Phoebe!

The Life Exhibition

The Life Exhibition is an interactive journey for Primary Schools that delivers the gospel message. Children move between a series of 'pods' watching videos and using tablets to find out about the life of Jesus, before finally arriving in the Life Café for a Q and A session.

(There's a virtual tour here if you'd like to see more <https://www.countiesuk.org/schools-work/life-exhibition/schools>)

The Exhibition is coming to Telford Minster and we'd love to invite you to see it! School groups are booked in throughout the day, but it would be great to see you at one of our drop in sessions on

Tuesday 24th May from 3.00 - 4.30pm
