

Enriching Lives Everyday

English

We will be using both fiction and non-fiction books which link to our theme to support our learning in English. We will write sentences which include a noun phrase and spell words from the year 1 and 2 wordlist correctly.

We will also have a weekly spelling test and reading comprehension lesson.

Science

Living things and their habitats.

We will be learning about animals and their lifecycles and their basic needs for survival. We will also be working scientifically to complete some scientific investigations.

Maths

Numbers to 100

We will be counting numbers to 100 and represent numbers using different models. We will count in 2's, 5's and 10's.

Addition and Subtraction.

We will learn number facts with bonds to 100. We will add and subtract 1's and 10's to 2-digit numbers. We will also use these skills in a weekly arithmetic test.

Year 2 Autumn 1

Showcase: Art Showcase - 16.10.25

Religious Education

Who made the world?

We will be learning about the creation of the universe and understand that this set out the relationships between God, Universe and all life.

Geography

We will learn where the poles and equator are located, and which animals live there. We will then focus on deserts and tropical places and their features.

MFL

In my town.

With a focus on where we live, we will be learning to say key words and understand their meaning.

Physical Education (PE)

Dance

We will copy and repeat actions and vary the speed of their actions.

Fundamental skills

Learn to move with control and care.

Music

Hands, feet, heart.

We will be finding the pulse in songs and naming instruments we can hear in a musical piece and create musical rhythms.

Art

Explore and draw.

We will be creating observational drawings using different materials. We will be looking at the work of other artists to give us inspiration.

PSHE

Families and friendships.

We will consider how to make friends, what to do if we are feeling lonely and how to ask for help.
