

## English

We will be exploring the books, 'Windrush Child' by Benjamin Zephaniah as a stimulus for our writing. We will look at non-fictional writing in the form of letters and diaries. Children will also develop comprehension skills using a range of texts and learn spellings and spelling rules.

## Religious Education

Our key questions is:

Words of Wisdom: What can we learn from Sikhs, Muslims and Christians?

## Computing

Our focus will be MicroBits, how to use them, programming them to test a programme and understanding how conditional statements modify programmes.

## Modern Foreign Language (French)

Healthy lifestyle

## Maths

This half term we will look at ratio and proportion, algebra, decimals and percentages before moving on to perimeter, area and volume.

## Year 6 Spring 1

### Evolution and Inheritance

'Enriching Lives' by connecting learning

Visit to: Charles Darwin Trail, Shrewsbury

## Music

Our focus is the song 'You've got a friend in me' and we will build up to composing a simple melody and improvising using glockenspiels.

## Science

We will be looking at the evolution and inheritance with the focus being on how animals have been adapted to their surroundings and how they have evolved over time.

## Physical Education (PE)

Basketball

Fitness

## PSHE

We will be continuing our work on managing pressure and understanding consent in different situations.

We will also be looking at this in terms of online safety.

## Art

We will explore identity in art and create imagery using aspects of one image using layers and juxtaposition.
