What an incredibly exciting and busy week it has been at St Peter's Bratton! On Tuesday, we welcomed secondary staff into school to meet with our Year 6 teachers, while parents also joined us for a very insightful anxiety workshop led by our Educational Psychologist. Wednesday was described by many as one of the best days ever, as the children took part in a fantastic Artist Day, celebrating the creatives who have inspired the streets around our school—alongside the much-loved inflatables day! I was so disappointed that I was not able to attend due to a Leadership Day with the Trust. The excitement continued into the evening with England's thrilling 4–2 victory over Croatia. On Thursday, we welcomed external reviewer Mr Davies from St Chad's Trust, who explored our development priorities and praised the strong learning behaviours and the significant progress made—exceeding expectations. I also met with the PTA to plan events for the year ahead, and we were delighted to have school photographs taken by Wrates. A huge thank you to our Friends PTA for their continued help and support—what a week it has been!

## Our Christian Values

Our theme of being thankful this week is inspired by Ephesians 5:20: "Always give thanks for everything to God." This has led us to reflect on how fortunate we are, especially when thinking about something as simple as food. We have been learning that, around the world, over 300 million children go to bed hungry each night and 400 million do not have access to clean drinking water. These figures remind us not to take what we have for granted. As a school, we are also thinking carefully about sustainability and the importance of reducing food waste, recognising that small changes can make a big difference. Taking time to say thank you—for our meals, our families, and what we have—helps us grow in gratitude and compassion for others.

**Ephesians 5 v20**

Always give thanks for everything to God.

300 million children in the world go to bed hungry each night

Millions of children in the world live on a diet of only rice and sometimes a few vegetables

400 million children in the world have no access to clean water to drink

**Why This Matters**

1. It is not fair
  - Food is thrown away
  - But some people do not have enough to eat
2. It wastes money
  - Families waste about £470 a year on food that is thrown away
3. It harms the planet
  - Wasted food creates gases that damage the Earth
  - Food waste causes millions of tonnes of pollution
4. It wastes water and energy
  - Water and energy are used to grow food
  - If we throw food away, those things are wasted too

What are you going to do this week to help with food?

## Extreme Heat Next Week

With the forecast indicating very hot weather next week, we will be taking steps to ensure that all children remain safe and comfortable in school. Pupils are welcome to come in PE kit or loose, cool clothing, and we will be reducing physical activity where necessary, especially during the hottest parts of the day. Please ensure your child brings a named water bottle to school each day so they can stay well hydrated, and that sun hats and sunscreen are applied before arrival. We will continue to monitor the situation carefully and make adjustments as needed to keep everyone safe during the extreme heat.

## Pupils We Are Proud Of

Reuben and Noah in year 6 attended their end of year football presentation this weekend for Admaston Rangers. They were both presented with their 5 year award, having been with the club from year 1. There were only 3 players in the team who received this trophy, well done boys!

### **SPORTS DAY PICNIC LUNCH!**

**Friday 26<sup>th</sup> June 12-1pm**

**Key stage 2 Sports morning- start: 9.15am**

**Reception and Key Stage 1 Sports afternoon- start: 1.15pm**

Key Stage 2 children will go back into class at the end of their Sports morning to rehydrate and grab their lunches. If you are staying for lunch or joining us from 12pm, when the field is clear, pick your spot! Picnic blankets and camping chairs are useful!

At 12pm, please could 1 adult joining a child for picnic lunch make their way to the wing door where you would usually collect from at home time. Staff will then dismiss your child to you. At 1pm lunch time staff will ring the big bell. This is the signal for children to line up on the playgrounds where they will be collected by class teachers. Key Stage 1 children will come back outside with their classes to start their Sports afternoon.

**Reception, Y1 and Y2-** Big playground

**Y3 and Y4-** Sundial playground

**Y5 and Y6-** Back playground

Lunchtime staff will be on hand to supervise children not joining visitors for picnic lunch.

We hope you have a fantastic time during Sports day, a lovely picnic with your children and that the weather is kind to us!

There are certainly a lot of tired members of our school community this week after such a wonderful and busy time together! We are really looking forward to one of our favourite days in the school calendar. The Friends PTA will be on hand serving refreshments, helping to make the day even more enjoyable. Don't forget that there will also be an adults' race at sports day—so make sure you get practising over the weekend! Looking ahead, Reception are very excited about their upcoming visit to the farm next week. In the meantime, have a fantastic weekend, take time to rest, and please remember to stay safe in the heat.

# Year 5

## Art Day

This week we have celebrated Art Day. The artist we focused on in year 5 was Monet, specifically 'Water Lilies and Japanese Bridge'. Everyone in year 5 put their best effort into their work and produced some really spectacular final products, which the children were so proud of and excited to share.

## Music

In music, we finished off our learning of 'The Fresh Prince of Bel-Air' by using glockenspiels. We learned how to play different notes alongside the song and continued with our learning of how to sing it. We will be moving onto 'Dancing in the Street' and learning how to sing this song over the coming weeks.

## Art

In our art lessons, our focus this term has been 'Mixed Media - Land and City Scapes'. Before moving onto mixed media, we have been practising sketching. Next week we will be ready to move onto using media such as oil pastels, water colour and charcoal to add layers. We can't wait to show you our final product!

## PGL 2026

Year 6 had a wonderful time at PGL Boreatton Park last week. They all pushed themselves out of their comfort zone taking part in new activities such as: laser tag, abseiling, high ropes, canoeing, archery and much much more. Every child we took was really supportive of others and the encouragement and teamwork was fantastic to see. All the children we took embodied our school rules of 'Ready, Respectful and Safe' at all times; PGL staff even commented that they would love for our school to return as all children are so polite, well mannered and all get stuck in all of the time. We were so pleased as staff.

Whilst we were away, the Thursday was extra special as it was Ben's birthday - the celebrations began as the tooth fairy visited and Miss Lisney made a wonderful birthday cake for us to finish off the day!

From Miss Russell, I would just like to say a tremendous thank you for the staff and adults who supported this trip as without their dedication it would not be possible. Thank you: Mrs Welsh, Miss Jones, Miss Richardson, Mr Wilkes and Mrs Howes - you're all superstars!
