

Enriching Lives Everyday

English

Wind in the Willows

Continuing in the world of Wind in the Willows children will retell chapter five - The Wild Wood. We will review features of a non-chronological report before children write their own linked to the text.

Maths

Shape - Identifying angles, shapes and lines of symmetry.

Statistics - Interpreting charts, graphs and problems.

Position and direction - Position, coordinates and translation.

Science

Living things and their habitats

Recognise that living things can be grouped in a variety of ways, explore and use classification keys to help group, identify and name a variety of living things in the environment, and recognise that environments can change and this can sometimes pose dangers to living things.

Religious Education

Pentecost

When Jesus left, what was the impact of Pentecost?

Computing

Audio Editing

Creating a Podcast which will involve editing, adding tracks, opening and saving audio files.

Modern Foreign Language (French)

Habitats

To speak and write about different habitats, plants and animals in French.

Music

Blackbird

Blackbird by The Beatles - Learning and performing.

Art
